

SUPPLEMENTAL NOTICE OF URGENCY

1:25-cv-090

To: The Honorable Judge and Clerk of Court
United States District Court
Middle District of Pennsylvania

The Plaintiff, through her authorized representative, respectfully submits this supplemental notice in connection with the above-captioned case. Since the filing of the original complaint, Plaintiff's ability to preserve critical evidence has been impeded by intentional communication blocks from Defendant New American Funding and email inaccessibility from federal agency recipients.

Most urgently, Plaintiff's good faith Legal Preservation Notice sent to Defendants Loan Officer, Mr. Shawn Wainwright, on April 17, 2025, was blocked triggering a bounce-back email notification. Notably, this marked the second such block from this recipient. More recently, the Plaintiff experienced bounce-back rejections when attempting to submit follow-up information to HUD.gov and ConsumerFinance.gov, which are government agencies designated to process lending-related complaints.

This troubling pattern of digital interference escalates the risk of spoliation. Plaintiff has already alerted the Court in the main complaint to blocked communications as a form of procedural evasion, and now new events confirm the need for judicial attention. Plaintiff respectfully asks the Court to take notice of these escalations while screening is pending.
